PROFILE

I aim to use creativity and artistic techniques in a future career to further my communication, managerial, and team-working project skills; I am a multi-talented Graphic Designer proficient in job-related software, including InDesign, Adobe Creative Suite, and Photoshop. I am experienced in creating designs, sample layouts, and concepts and generating new ideas with limited direction. An enthusiastic individual accustomed to working in deadline-driven environments—with well-developed verbal and written communication skills and excellent project management abilities.
